Pune A Former dealer of Mercedes Benz India Private Limited has moved the court accusing Mercedes Benz India officials of forgery. Hearing the case, Judicial Magistrate (First Class) Renuka Satav on Monday asked the police to register a complaint against chairman&managing director of Mercedes Benz India Private Limited Wilfred Aulbur and five other company officials.

Advocate Harshad Nimbalkar and advocate Prathiba Ghorpade, appearing for Millenium Motors Pvt Ltd, said, "On November 23, senior officials of Millenium Motors were called for a discussion on the annual development plan, at the office of Mercedes Benz. But when they went to the company, the officials threatened that they would terminate the dealership. Following this, the company sent a letter to Millenium Motors on the same day and arbitrarily terminated the dealership without giving due notice."

Besides Aulbur, director (sales and marketing) Debashish Mitra, director (finance) Uwe Jarosch, general manager (network development) Puneet Chug, general manager (finance) Bhishma Patel, divisional manager (planning) Sandeep Sawant, Senior Manager (Dealer Development) Praful Kulkarni have also been accused of forgery. Managing director of Millenium Motors Dipak Naik said Mercedes-Benz had terminated its dealership contract in last November without prior notification.

In a statement, Mercedes Benz India Limited said, "This is in connection with a dispute with one of our business associates. The allegations are false and we refute all charges. We may consider filing defamation suit against the concerned."
